

CA/F/SRM/1.6

ICT Equipment (Type Approval / Type Acceptance) Application Form (April 2026)

(Version 1.6)

www.ca.go.ke

A: The application shall be submitted with the following:

1. A letter of agency from the manufacturer or the distributor which meets the following conditions:-

a) It should be on the official letterhead of the authorizing entity
b) It should be duly signed and stamped
c) It should have contact addresses that are valid and verifiable
d) where the letter of agency is issued by the distributor, all the letters of delegation of authorization linking to the manufacturer should be provided.

2. A sample* of equipment model, complete with associated accessories and attachments. The sample(s) of equipment submitted should be:-

a) In good working condition
b) Properly configured for testing and complete with the necessary test adapters & accessories, and
c) Clearly marked: trade name, model & serial/IMEI No.

*Note that the Authority is not obliged to return equipment that has been submitted for type approval purposes as some tests could be destructive. Sample Testing may take up to six months

3. Technical specifications of the equipment on the manufacturer's documentation, i.e it should be on official letterhead, logo or branding.

4. User Manuals in English.
5. Copies of

a) Declaration of Conformity from the manufacturer.
b) Test reports (RF, EMC, Health, Safety, IPv6 &RoHS) in English, issued by accredited laboratories.
c) Evidence of laboratory accreditation (to ISO/IEC 17025) from an accreditation body that is a signatory of ILAC should be provided.

6. Non-refundable Type Approval fee. Information regarding the Type approval fee for various equipment, is available at: https://www.ca.go.ke/license-application-forms-fees.
