## 10. ELECTRONIC CERTIFICATION SERVICE PROVIDERS

An Electronic Certification Service Provider (E-CSP) is an entity licensed to issue, verify, store, renew, suspend and revoke digital certificates to subscribers in a secure manner. It is only upon being accredited by the Authority that an E-CSP can begin issuing digital certificates to customers. Accreditation is achieved by a licensed Electronic Certification Service Provider (E-CSP) by undergoing and passing an initial regulatory compliance audit conducted by the Authority within one (1) year of the grant of an E-CSP Licence to an entity. Consumers are therefore advised to only seek digital certificate services from licensed Electronic Certification Service Providers (E-CSPs) who have been ACCREDITED.
