Addendum No. 3

To All Bidders,

**REF: SUPPLY, DELIVERY, INSTALLATION AND COMMISSIONING OF AN OPEN  
EDUCATION RESOURCES PORTAL (OER) AND ASSOCIATED HARDWARE -  
CA/SCM/OT/35/2023-2024**

Please refer to the above-mentioned tender that was advertised through MY GOV on 5<sup>th</sup> December 2023.

In accordance with clause 10.1 of the tender document available on our website, and the supplier's portal (PPIP), the Authority hereby provides responses to the clarifications sought by some prospective bidders as indicated in table below: -

**Response to the clarifications**

| No. | Clarification sought  | Response by CA   |
|-----|---|--|
| 1.  | Enterprise storage: Kindly clarify on the type of storage required whether hybrid or all flash storage?   | <i>As per the Tender document, the storage required is Hybrid storage.</i>   |
| 2.  | Hardware Requirements:<br>Kindly confirm the hardware specifications on the tender document are the minimum requirements since some of the specs are too specific like height, width, weight etc. As long as our hardware is able to meet those minimum requirements or slightly exceed them, please clarify that will be acceptable. | <i>As per the Tender document, the technical specifications provided are minimum and therefore any hardware proposed with higher specifications will be allowed.</i> |
| 3.  | As for the security bind, according to the document, it should be valid for 240 days. Please confirm if this is the minimum valid duration or its fixed. If we submit a security bid say for 250 days, would it still be valid?   | <i>The tender security should be valid for a minimum of 240 days.</i>  |

**ALL other conditions of the tender remain unchanged.**
