The Authority wishes to respond to the clarifications sought by some prospective bidders as follows: -

1.	The tender document states that you require NCA 5 and above. Please note that most women firms are NCA 6 and below and hence you may not get enough respondents for the tender. Kindly, if possible, please add NCA 6 and above to enable more firms to bid.	The requirement for the NCA Certificate has been amended to read as follows; <i>Bidders should attach a copy of valid NCA 6 and above certificate and practicing license (General Building Works and Road works)</i>

ALL other conditions of the Tender remain unchanged
