- 3.3. The licensee systems must be made accessible to persons with disability.

4. CONDITION 4: INTERCONNECTION AND PROVISION OF SERVICES TO THIRD PARTIES

- 4.1. Interconnection procedures shall be in accordance with the Regulations
- 4.2. The Licensee shall provide a Requesting Licensee access to the Licensed System to enable the establishment and provision of licensed services by the Requesting Licensee.
- 4.3. The Licensee shall enter into Service Level Agreement (SLA) with the Requesting Licensee to ensure the connectivity provided is of the agreed quality. The Licensee shall be required to publish a Reference SLA and file a copy with the Authority.
- 4.4. The Licensee shall provide the services in 4.2 above on a fair, transparent and non-discriminatory basis.
- 4.5. The obligation in 4.2 shall not apply if it is not, in the Authority's view, reasonable to require the Licensee to comply with such an obligation in the particular circumstances, including, but not limited to circumstances:
 - 4.5.1. beyond the Licensee's control;
 - 4.5.2. where the provision of connectivity would expose any person engaged in its provision to undue risk to health or safety, and
 - 4.5.3. where it is not reasonably practicable (including where the Licensee systems are not sufficiently built out).

5. CONDITION 5: CO-LOCATION AND INFRASTRUCTURE SHARING

- 5.1. The operation of the Landing Station shall be on an Open Access basis subject to applicable local laws and regulations.
- 5.2. The Licensee shall furnish and maintain, in working order for the duration of the Licence, the necessary facilities as may be reasonably required within the Landing station, for extending capacity assigned to a third party.
- 5.3. Such facilities referred to in 5.2 shall be suitable for extending capacity and shall be maintained on terms and conditions which shall be no less favourable than those granted to other parties.
- 5.4. The licensee shall ensure that the Requesting Licensees are entitled to choose, at their sole discretion, the Backhaul provider for their capacity.
- 5.5. The licensee shall ensure the provision of co-location in respect of space, connection facilities and any other necessary services at the Landing Station. Such facilities shall be provided with best reasonable efforts, in a timely manner, without discrimination.
- 5.6. The Licensee shall when establishing the Licensed Systems consider the need for equipment co-location and/or infrastructure sharing with other licensees and shall comply with relevant regulations or guidelines that may be published from time to time.
- 5.7. The Licensee shall allow other licensees to co-locate, share infrastructure and other facilities on terms that are reasonable, just and non-discriminatory.

- 5.8. The Licensee shall ensure that any infrastructure sharing and/or co-location arrangement is provided under an appropriate written agreement, which shall among other things guarantee reasonable access and security. For this purpose, the Licensee shall publish and readily make available and accessible on its website a Template for Co-location/Infrastructure Sharing Offer in accordance with the format approved by the Authority and file any agreement entered within thirty(30) days of execution..
- 5.9. The obligation in 5.6 and 5.7 shall not apply if it is not, in the Authority's view, reasonable to require the Licensee to comply with such an obligation in the particular circumstances, including, but not limited to circumstances:
- 5.9.1. Where the requesting person's network has not been approved in accordance with Condition 5.6 above.
 - 5.9.2. beyond the Licensee's control,
 - 5.9.3. where the provision of the service would expose any person engaged in its provision to undue risk to health or safety, and
 - 5.9.4. where it is not reasonably practicable (including where the Licensee cannot provide the requested connectivity in a particular area by reason of the fact that its systems are not sufficiently built out).
- 5.10. The licensee shall not enter into an exclusive agreement with any other licensee for access to the licensed systems/services.

6. CONDITION 6: QUALITY OF SERVICE REQUIREMENTS

- 6.1. The Licensee shall meet the Quality of Service (QoS) requirements as may be set out by the Authority from time to time.
- 6.2. The Authority reserves the right, upon reasonable notice to the licensee, to review the Quality of Service (QoS) requirements periodically.
- 6.3. The Licensee shall enter into a Service Level Agreement (SLA) with a Requesting Licensee to ensure the connectivity provided is of an agreed quality. The Licensee shall file a Reference SLA with the Authority and publish on its website

7. CONDITION 7: INTERRUPTIONS TO THE LICENSED SYSTEMS AND SERVICES

- 7.1. The Licensee shall not intentionally interrupt the operations of the Licensed Systems and Services or any part thereof, or the services provided to any Requesting Licensee, in the normal course of business, nor shall it in the normal course of business suspend the provision of any type of connectivity without having first sought and obtained approval from the Authority in writing and subsequently providing reasonable advance notice to persons likely to be affected by such interruption or suspension.
- 7.2. In the event of an unintentional/unforeseen interruption of the Licensed Systems or Services or part thereof, which are significant in nature, the Licensee shall inform the public and notify the Authority in writing within 24 hours outlining the cause of such interruption and the steps being undertaken to rectify such interruption.

- 7.3. The provision in 7.1 and 7.2 shall not prejudice the rights of the Authority or any person affected by such interruptions.
- 7.4. The provision in 7.1 shall not apply if, the interruption or suspension is to a licensee whose system or apparatus or use thereof is endangering the integrity of the Licensed Systems.
- 7.5. The provision in 7.1 shall not apply if the interruption of service is as provided for under the relevant Service Agreements between the Licensee and the requesting entity.
- 7.6. Interruption in 7.5 above shall not be effected on any day preceding a non-working day or public holiday for non-payment of applicable charges.

8. CONDITION 8: PROVISION OF EMERGENCY SERVICES

- 8.1. The Licensee shall make the Licensed Systems available and accessible for the provision of Emergency Services free of charge.
- 8.2. The obligation in 8.1 shall not apply if it is not, in the Authority's view, reasonable to require the Licensee to provide the connectivity requested by means of the Licensed Systems in the particular circumstances where provision is beyond the Licensee's control.

9. CONDITION 9: PUBLIC EMERGENCIES

- 9.1. In case of a major disaster such as earthquakes, floods and similar events or any other situation of emergency or a crisis of local, regional or national scope which require special attention on the part of the Licensee, the Licensee shall provide the necessary connectivity to the Government giving priority to the support activities required to overcome the emergency. For this purpose, the Licensee shall co-ordinate with and follow the instructions of the Authority.
- 9.2. In case the emergency or crisis is related to aspects of national security, the Licensee shall co-ordinate with the competent entity indicated by the Authority and provide the necessary connectivity in accordance with the instructions of the Authority or the competent entity indicated thereby.
- 9.3. Upon being licensed, the licensee shall develop the procedures and operations that it shall follow in the event of any emergency when called upon by the Authority. The Authority may require the licensee to file such procedures upon request on or before activation of the landing station.
- 9.4. The Licensee may be entitled to reimbursement by the Government of its direct costs for the provision of the services mentioned in 9.1 and 9.2 if the Authority is convinced such costs are reasonable after evidence of such incurred costs is provided thereof.
- 9.5. The obligation in 9.1 shall not apply if it is not, in the Authority's view, reasonable to require the Licensee to provide the public emergency services by means of the Licensed Systems in the circumstances where provision is beyond the Licensee's control.

10. CONDITION 10: PUBLIC SAFETY

- 10.1. The Licensee shall in respect of all apparatus, equipment and installations possessed, operated, maintained or used under the license, take all proper and adequate safety measures to safeguard

life against any danger, including electromagnetic emissions emanating from the apparatus, equipment or installation so used;

- 10.2. The Licensee will ensure that any of its telecommunication installation does not become a health, environmental or a safety hazard and should comply with statutes, rules, codes of practice, guidelines or regulations, on public safety.
- 10.3. The licensee shall ensure that its Licensed Systems comply with the relevant environmental laws.

11. CONDITION 11: ACCESS TO SITES AND RECORDS

- 11.1. The Licensee shall upon request provide unlimited access to all equipment sites and operational areas to duly authorised staff of the Authority, any person authorised by the Authority or law enforcement agency for the said to effectively perform their duties.
- 11.2. The Licensee shall establish and maintain information records in regard to its operations, in a format prescribed by the Authority from time to time, for a minimum period of three (3) years from the date such records came into being, for purposes of availing such information on request by the Authority, any person authorised by the Authority or any law enforcement agency.
- 11.3. The licensee shall provide, upon request by the Authority, any information it requires during an inspection. Such information shall be generated from the systems in the presence of Authority's inspectors at the time of the inspection.
- 11.4. The Licensee shall permit the Authority (or a person authorised by the Authority) to inspect the Licensee's systems, premises, facilities, files, records and other data to enable it to exercise its functions under the Act.

12. CONDITION 12: BILLING ACCURACY

- 12.1. The licensee shall ensure that its billing system is accurate.
- 12.2. The Licensee shall, establish a procedure to ensure the accuracy of its billing system, which must be submitted to the Authority for approval. Such an approval shall not be unreasonably delayed or withheld and in any event, the Authority shall give its approval or disapproval within three (3) months from date of receipt of the said submission.
- 12.3. Where the Authority gives the terms of its approval or disapproval, pursuant to Condition 12.2, the Licensee shall take all reasonable steps to comply with such terms issued by the Authority within the shortest time possible but in any event not more than thirty (30) days from the date the terms are issued
- 12.4. The Authority reserves the right to test and examine the billing system before and after it is operational for the Authority to be satisfied that the billing system is accurate.
- 12.5. The Authority may appoint an independent agent to examine and/or test the licensee's billing system on its behalf.

- 12.6. The Licensee shall not render any bill in respect of any Licensed Systems unless every amount stated in the bill is derived in accordance with the procedure approved by the Authority in 12.1 or/and 12.2 above.
- 12.7. The Licensee shall keep such records as may be necessary or may be determined by the Authority to be necessary for the purpose of satisfying the Authority that the billing process has the characteristics required above and shall retain any records at least three (3) years from the date on which they came into being.
- 12.8. The licensee shall, where required by the Authority, produce a billing record for any subscriber that at the very minimum contain, calling number, called number, date, time, duration of call, amount charged and any other detail as the Authority may deem necessary to enable it discharge its duties in regard to this license.
- 12.9. Any changes to the Licensee's billing system shall be notified to the Authority and shall be subject to the requirements under this Condition.

13. CONDITION 13: PRIVACY AND CONFIDENTIALITY

- 13.1. The Licensee shall ensure the privacy and confidentiality of proprietary information and business secrets obtained during its business from any person to whom it provides the Licensed Systems by establishing and implementing reasonable procedures for maintaining confidentiality of such information.
- 13.2. The Licensee shall maintain and submit to the Authority, not more than 180 days from the effective date, sufficient information on its confidentiality procedures to satisfy the Authority, that the requirements of 13.1 are being met.
- 13.3. The Licensee shall not use or allow to be used any apparatus comprised in the Licensed Systems (except for the purpose of law enforcement, national interest or where it is in accordance with any statute in force in Kenya) which is capable of recording, silently monitoring, or intruding into the Requesting Licensee's traffic unless the Licensee complies with 13.4 and 13.5.
- 13.4. The Licensee shall, except for the purposes of law enforcement, make every reasonable effort to inform the parties whose traffic is to be recorded, silently monitored or intruded into before commencing the recording, silent monitoring or intrusion, that the traffic is to be or may be recorded, silently monitored or intruded into.
- 13.5. The Licensee shall maintain a record of how the parties have been informed that their traffic is to be or may be recorded, silently monitored or intruded into and the purpose of such recording. The Licensee shall furnish the Authority with such information on request.

14. CONDITION 14: FAIR TRADING

- 14.1. Without prejudice to other obligations imposed on the Licensee under this Licence, the Licensee shall not engage in any activities, whether by act or omission, which have, or are intended to or likely to have, the effect of unfairly preventing, restricting or distorting competition in Kenya (or

a part of it), in relation to any business activity relating to the Licensed Systems. Without limiting the generality of the foregoing, any such act or omission shall include:

- 14.1.1. any abuse by the Licensee, either independently or with others, of a dominant position in Kenya which unfairly excludes or limits competition between the Licensee and any other party;
 - 14.1.2. entering any contract or engaging in any concerted practice with any other party, which unfairly prevents, restricts or distorts competition in Kenya, or
 - 14.1.3. effecting anti-competitive changes in the market in Kenya, and anti-competitive mergers and acquisitions in the communications sector.
 - 14.1.4. Levying charges to its competitors or interconnecting parties which unfairly limits competitors' or interconnecting parties' competitiveness.
- 14.2. In the event it appears to the Authority that the Licensee is in breach of 14.1, the Authority shall give written notice to the Licensee:
- 14.2.1. stating that the Authority is investigating a possible contravention;
 - 14.2.2. setting out detailed reasons why it appears to the Authority that there is a breach by the Licensee of this Condition, and
 - 14.2.3. setting out the steps the Authority requires the Licensee should take to remedy the alleged breach.
- 14.3. The Authority shall allow the Licensee thirty (30) days from the date of the notice to make representations to the Authority, before the Authority takes further action.

15. CONDITION 15: PROHIBITION ON UNDUE DISCRIMINATION

- 15.1. The Licensee shall not (whether in respect of the rates or other terms and conditions applied or otherwise) show undue preference to, or exercise undue discrimination against, persons or persons of any class or description in respect to the provision of the Licensed Systems.
- 15.2. The Licensee may be deemed to have shown such undue discrimination if it unfairly favours, to a material extent, the provision of any communications services to another communication business it carries out to place at a significant competitive disadvantage persons competing with that business.
- 15.3. The Licensee shall not be deemed to have shown undue discrimination to the extent that:
 - 15.3.1. it is due to matters beyond the Licensee's control;
 - 15.3.2. the provision of connectivity would expose any person engaged in its provision to undue risk of health or safety, or
 - 15.3.3. it is not, in the Authority's view, reasonably practicable or technically feasible (including where the Licensee cannot provide connectivity in a particular area by reason of the fact that its systems are not sufficiently built out).

- 15.4. Any question relating to whether any act done or course of conduct amounts to undue preference or undue discrimination shall be determined by the Authority.

16. CONDITION 16: PROHIBITION OF CROSS-SUBSIDIZATION

- 16.1. The Licensee shall not subsidise or cross-subsidise, or permit itself to be subsidised or cross-subsidised or give or receive undue preference to or from, as the case may be, any of its associated businesses or persons as concerns the provision of the Licensed Systems and/or any other licences granted to the Licensee by the Authority.
- 16.2. The Licensee shall maintain necessary records to evidence resource transfers between its associated businesses or persons. The Authority may at its discretion request the licensee to submit this or other information related to the licensed businesses to satisfy the Authority that no cross-subsidy is taking place.
- 16.3. If the Authority determines that cross-subsidy has occurred the Authority shall give written notice to the licensee setting out the steps the Authority requires the Licensee to take to remedy the alleged breach and giving the Licensee a reasonable time in which to correct the alleged breach. The Authority shall allow the Licensee 30 days from the date of the notice to make representations to the Authority, before the Authority takes further action.
- 16.4. Where the Authority deems it necessary and appropriate to supervise compliance with the provisions of this Licence, it may order the Licensee to provide the Licensed Systems through a separate division or divisions, a separate branch or branches or a separate subsidiary or subsidiaries.

17. CONDITION 17: NOTIFICATION OF CHANGE IN SHAREHOLDING

- 17.1. The Licensee shall notify the Authority of:
- 17.1.1. any change in the proportion of the shares held directly in a Licensee by any person, and
- 17.1.2. the acquisition of any shares and such shares not being shares already listed in any stock exchange held directly in a Licensee by a person not already holding shares, and the proportion of such shares held by that person immediately before acquisition.
- 17.2. The Licensee shall notify the Authority prior to any entity acquiring ownership or control of all or a majority of the stock of the Licensee such that the Licensee shall stand as a subsidiary in relation to that entity.
- 17.3. The Licensee shall be obliged to notify the Authority of any acquisition of shares or change in shareholding of the Licensee by any person and such shares not being shares already listed in any stock exchange only if, by reason of that acquisition or change, the total number of shares in the Licensee held by that person together with any shares held by any nominee or trustee for that person immediately after the change or acquisition:
- 17.3.1. exceeds 15 per cent of the total number of shares in the Licensee (where it does not exceed 15 per cent prior to that change or acquisition);

- 17.3.2. exceeds 30 per cent of the total number of shares in the Licensee (where it does not exceed 30 per cent prior to that change or acquisition), and
- 17.3.3. exceeds 50 per cent of the total number of shares in the Licensee (where it does not exceed 50 per cent prior to that change or acquisition).
- 17.4. The licensee shall, In any instance referred to in 17.1 or 17.2, notify the Authority at least thirty (30) days prior to the taking effect of such change or acquisition.
- 17.5. In instances referred to in 18.2 and 18.3, the Authority upon receipt of the notification shall inform the licensee of its decision (approval/disapproval) within thirty (30) days of receipt of notification. The Authority may within sixty (60) days of notifying the Licensee of its disapproval, having considered representations made by interested parties, and giving reasons for its decision, prohibit the change in shareholding where it believes it is in the public interest to do so.
- 17.6. In instances referred to in 17.2 and 17.3, the Authority upon receipt of the notification shall inform the licensee of its decision (approval/disapproval) within thirty (30) days of receipt of notification. The Authority may within sixty (60) days of notifying the Licensee of its disapproval, having considered representations made by interested parties, and giving reasons for its decision, prohibit the change in shareholding where it believes it is in the public interest to do so.

18. CONDITION 18: PRE-NOTIFICATION OF JOINT VENTURES

- 18.1. The Licensee shall notify the Authority not later than sixty (60) days before the taking effect of any of the agreements or arrangements to which this Condition applies giving particulars of the agreements and/or arrangements. The agreements or arrangements are an agreement with any person for the establishment or control of anybody corporate for the purpose of:
- 18.1.1. the running of a telecommunications system which requires a licence under the Act;
- 18.1.2. providing telecommunications services in Kenya which requires a licence under the Act;
- 18.1.3. carrying of content over telecommunications systems which requires a licence under the Act;
- 18.1.4. the production of telecommunications apparatus for supply in Kenya where that production would lead, to a monopoly situation which would not otherwise exist in relation to the supply of telecommunications apparatus of any description in Kenya;
- 18.1.5. an agreement for the establishment of a partnership for any of those purposes and in those circumstances, and
- 18.1.6. any other agreement or arrangement in the nature of the joint venture for the purpose of running a business which requires a licence under the Act or for the purpose of providing telecommunications services in Kenya.
- 18.2. Clause 18.1 applies in relation to an agreement or arrangement for the establishment or control of any body, corporate or partnership where the Licensee has or is to have not less than twenty (20%) per cent of the voting power in any organ controlling that body.

19. CONDITION 19: ACCOUNTING REQUIREMENTS

- 19.1. Within nine (9) months from the Effective Date, the Licensee shall submit to the Authority the accounting principles relating to the running of the Licensed Systems and which allows the recording of investments, expenses and revenues in accordance with generally accepted accounting standards in Kenya.
- 19.2. Within sixty (60) days of the end of each fiscal year of the Licensee, the Licensee shall deliver to the Authority its balance sheet as at the end of such fiscal year and the related statements of operations, equity and cash flows, in each case accompanied by a report thereon of independent auditors stating that such financial statements fairly present the financial position of the Licensee at the dates indicated and were prepared in accordance with accounting principles submitted to the Authority in accordance with 19.1.
- 19.3. The Authority may request the Licensee to submit other accounting information it may require to effectively supervise and enforce the terms of this Licence and if the accounting principles established by the Licensee fail to achieve the objectives set forth in that Condition.
- 19.4. The licensee shall clearly show the accounts related to this license in its financial reporting.

20. CONDITION 20: REQUIREMENT TO PROVIDE INFORMATION

- 20.1. The Licensee shall maintain and provide such information as will enable the Authority to carry out its functions under the Act in such manner and at such times as the Authority may specify and shall ensure that all information submitted is accurate.
