THE LICENCE CONDITIONS

1. CONDITION 1: EXPANSION OF THE LICENSED SYSTEMS

- 1.1. The Licensee shall fulfil the system expansion requirements set out in Annex 1 of this Licence (the “System Expansion Requirements”) and as may be reviewed by the Authority thereafter.
- 1.2. The Licensee shall ensure that it maintains information in a form prescribed by the Authority for the purposes of satisfying the Authority that the Licensee is meeting the System Expansion Requirements as stated in Annex 1.

2. CONDITION 2: UNIVERSAL ACCESS AND SERVICE OBLIGATIONS

- 2.1. The Licensee shall be required to participate in the provision of Universal Services as may be specified by the Authority from time to time.
- 2.2. The licensee shall ensure that its services and products are accessible to persons with disabilities as prescribed in guidelines or regulations
- 2.3. The licensee shall contribute to the universal service fund as may be prescribed by the Authority from time to time.

3. CONDITION 3: ESTABLISHMENT OF THE LICENSED SYSTEMS

- 3.1. The Licensee shall submit, for the Authority’s records, network schematic diagrams with actual topographical and physical coordinates of its planned network before embarking on its construction. The Licensee shall provide the information using the WGS84 coordinate system or such other system as the Authority may specify from time to time.
- 3.2. In addition to 3.1 above, the Licensee shall comply with physical planning, environmental, maritime, security, public health and civil aviation and other requirements as set out by relevant Government authorities. The Licensee shall, upon receipt of approvals from Government authorities responsible for the above, file the same with the Authority.
- 3.3. While establishing international systems, the Licensee shall ensure that the Network Control & Management Centre is in Kenya.

4. CONDITION 4: CO-LOCATION AND INFRASTRUCTURE SHARING

- 4.1. The Licensee shall, when establishing the Licensed Systems, consider the need for equipment co-location and/or infrastructure sharing with other licensees and shall comply with relevant regulations or guidelines that may be published from time to time.
- 4.2. The Licensee shall allow other licensees to co-locate, share infrastructure and other facilities on terms that are reasonable, just and non-discriminatory.
- 4.3. The Licensee shall ensure that any infrastructure sharing and/or co-location arrangement is provided under an appropriate written agreement, which shall among other things guarantee reasonable access and security. For this purpose, the Licensee shall publish and readily make available and accessible on its website a Template for Co-location/Infrastructure Sharing Offer in accordance with the format approved by the Authority and file any agreement entered within thirty days of execution.
- 4.4. The obligation in 4.1 and 4.2 shall not apply if it is not, in the Authority's view, reasonable to require the Licensee to comply with such an obligation in the particular circumstances, including, but not limited to circumstances:
 - 4.4.1. Where the requesting person's network has not been approved in accordance with Condition 3.1 above.
 - 4.4.2. beyond the Licensee's control,
 - 4.4.3. where the provision of the service would expose any person engaged in its provision to undue risk to health or safety, and
 - 4.4.4. where it is not reasonably practicable (including where the Licensee cannot provide the requested connectivity in a particular area by reason of the fact that its systems are not sufficiently built out).
- 4.5. The licensee shall not enter into an exclusive agreement with a building owner for access.
- 4.6. Where the licensee is the first entrant to building, the licensee shall, where possible, ensure that there is adequate provision in the building's communication infrastructure to facilitate sharing with other licensees.

5. CONDITION 5: INTERCONNECTION

- 5.1. Interconnection procedures shall be in accordance with the Regulations

- 5.2. The Licensee shall permit a Requesting Licensee to connect its licensed systems to the Licensed Systems to enable the establishment and provision of licensed services by the said Requesting Licensee.
- 5.3. The Licensee shall provide the services in 5.2 above on a fair, transparent and non-discriminatory basis.
- 5.4. The obligation in 5.2 shall not apply if it is not, in the Authority's view, reasonable to require the Licensee to comply with such an obligation in the circumstances, including, but not limited to those:
 - 5.4.1. beyond the Licensee's control;
 - 5.4.2. where the provision of connectivity would expose any person engaged in its provision to undue risk to health or safety, and
 - 5.4.3. where it is not reasonably practicable (including where the Licensee systems are not sufficiently built out).

6. CONDITION 6: QUALITY OF SERVICE (QOS) REQUIREMENTS

- 6.1. The Licensee shall meet the quality-of-service requirements as set out in Annex 2 below and any other as may be prescribed by the Authority from time to time.
- 6.2. The Authority reserves the right, upon reasonable notice to the licensee, to review the Quality of Service (QoS) requirements periodically.
- 6.3. The Licensee shall enter into a Service Level Agreement (SLA) with a Requesting Licensee to ensure the connectivity provided is of an agreed quality. The Licensee shall file a Reference SLA with the Authority and publish on its website.

7. CONDITION 7: NUMBERING AND NUMBER PORTABILITY

- 7.1. The Licensee shall upon application and approval, only utilise the numbering resource(s) assigned to it by the Authority.
- 7.2. The Licensee shall operate the Licensed Systems in accordance with the national Numbering Plan(s) unless and until the Authority, upon reasonable notice, prescribes a new numbering plan(s) amending or replacing the Initial Numbering Plan(s). Any new numbering plan shall contain transitional provisions.
- 7.3. The licensee shall not facilitate connectivity or delivery of traffic to numbers that do not exist in the national numbering plan.

- 7.4. The licensee shall be required to configure the national emergency numbers prescribed by the Authority and deliver free of charge emergency traffic generated on its network to National Emergency service providers.
- 7.5. The Licensee shall be required to facilitate the provision of Number Portability Service within their systems and provide facilities at its physical customer care outlets for receipt of applications during the normal working hours.
- 7.6. The Licensee shall fulfil any rules and requirements, which the Authority may prescribe from time to time in relation to numbering, and provision of Number, Service Portability and other related portability.

8. CONDITION 8: PUBLIC SAFETY

- 8.1. The Licensee shall in respect of all apparatus, equipment and installations possessed, operated, maintained or used under the license, take all proper and adequate safety measures to safeguard life against any danger, including electromagnetic emissions emanating from the apparatus, equipment or installation so used;
- 8.2. The Licensee will ensure that any of its telecommunication installation does not become a health, environmental or a safety hazard and is not in contravention of any statute, rule, code of practice, guideline or regulation, on public safety.
- 8.3. The licensee shall ensure that its Licensed Systems comply with the relevant environmental laws.

9. CONDITION 9: INTERRUPTION OF THE LICENSED SYSTEMS

- 9.1. The Licensee shall not intentionally interrupt the operations of the Licensed Systems or any part thereof, or the services provided to any Requesting Licensee, in the normal course of business, nor shall it in the normal course of business suspend the provision of any type of connectivity without having first sought and obtained approval from the Authority in writing and subsequently providing reasonable advance notice to persons likely to be affected by such interruption or suspension.
- 9.2. In the event of an unintentional/unforeseen interruption of the Licensed Systems or part thereof, which are significant in nature, the Licensee shall inform the public and notify the Authority in writing within 24 hours outlining the cause of such interruption and the steps being taken to rectify such interruption.
- 9.3. The provision in 9.1 and 9.2 shall not prejudice the rights of the Authority or any person affected by such interruptions.

- 9.4. The provision in 9.1 shall not apply if, the interruption or suspension is to a Subscriber whose system or apparatus or use thereof is endangering the integrity of the Licensed Systems.
- 9.5. The provision in 9.1 shall not apply if the interruption of service is as provided for under the relevant interconnection and/or service agreements between the Licensee and/or the Subscriber, provided that the interconnection and/or agreement had been filed with the Authority, and receipt thereof duly acknowledged by the Authority.
- 9.6. Interruption in 9.5 above shall not be effected on any day preceding a non-working day or public holiday for non-payment of applicable charges.

10. CONDITION 10: USE OF LICENSED SYSTEMS FOR THE PROVISION OF EMERGENCY SERVICES

- 10.1. The Licensee shall make the Licensed Systems available and accessible for the provision of Emergency Services free of charge.
- 10.2. The Licensee shall interconnect the Licensed Systems with the emergency communication systems operated by the police and any other designated Public Emergency Service Providers as may be specified by the Authority from time to time.
- 10.3. The obligation in 10.1 shall not apply if it is not, in the Authority's view, reasonable to require the Licensee to provide the connectivity requested by means of the Licensed Systems in the particular circumstances where provision is beyond the Licensee's control.

11. CONDITION 11: PUBLIC EMERGENCIES

- 11.1. In case of a major disaster such as earthquakes, floods and similar events or any other situation of emergency or a crisis of local, regional or national scope which require special attention on the part of the Licensee, the Licensee shall provide the necessary connectivity to the Government giving priority to the support activities required to overcome the emergency. For this purpose, the Licensee shall co-ordinate with and follows the instructions of the Authority.
- 11.2. In case the emergency or crisis is related to aspects of national security, the Licensee shall co-ordinate with the competent entity indicated by the Authority and provides the necessary connectivity in accordance with the instructions of the Authority or the competent entity indicated.
- 11.3. Within three (3) months from the Effective Date, the Licensee shall submit to the Authority its plan for procedures and operations it shall follow in the event of any such emergency and shall update such plan upon request by the Authority.

- 11.4. The Licensee may be entitled to reimbursement by the Government of its direct costs for the provision of the services mentioned in 11.1 and 11.2 if the Authority is convinced such costs are reasonable after evidence of such incurred costs is provided thereof.

12. CONDITION 12: ACCESS TO SITES AND RECORDS

- 12.1. The Licensee shall upon request provide unlimited access to all equipment sites and operational areas to duly authorised staff of the Authority, any person authorised by the Authority or law enforcement agency for the said to effectively perform their duties.
- 12.2. The Licensee shall establish and maintain information records in regard to its operations, in a format prescribed by the Authority from time to time, for a minimum period of three (3) years from the date such records came into being, for purposes of availing such information on request by the Authority, any person authorised by the Authority or any law enforcement agency.
- 12.3. The licensee shall provide, upon request by the Authority, any information it requires during an inspection including access to any subscriber billing information and call data records. Such information shall be generated from the systems in the presence of Authority's inspectors at the time of the inspection.
- 12.4. The Licensee shall permit the Authority (or a person authorised by the Authority) to inspect the Licensee's systems, premises, facilities, files, records and other data to enable it to exercise its functions under the Act.

13. CONDITION 13: BILLING ACCURACY

- 13.1. The licensee shall ensure that its billing system is accurate.
- 13.2. The Licensee shall establish a procedure to ensure the accuracy of its billing system, which must be submitted to the Authority for approval. Such an approval shall not be unreasonably delayed or withheld and in any event, the Authority shall give its approval or disapproval within three (3) months from date of receipt of the said submission.
- 13.3. Where the Authority gives the terms of its approval or disapproval, pursuant to Condition 13.2, the Licensee shall take all reasonable steps to comply with such terms issued by the Authority within the shortest time possible but in any event not more than thirty (30) days from the date the terms are issued.
- 13.4. The Authority reserves the right to examine and test the billing system before and after it becomes operational for the Authority to be satisfied that the billing system is accurate.

- 13.5. The Authority may appoint an independent agent to examine and/or test the licensee's billing system on its behalf.
- 13.6. The Licensee shall not render any bill in respect of any Licensed Systems unless every amount stated in the bill is derived in accordance with the procedure approved by the Authority in 13.2 above.
- 13.7. The Licensee shall keep such records as may be necessary or as may be determined by the Authority to be necessary for the purpose of satisfying the Authority that the billing process has the characteristics required above and shall retain any records at least three (3) years from the date on which they came into being.
- 13.8. The licensee shall, where required by the Authority, produce a billing record for any subscriber that at the very minimum contain, calling number, called number, date, time, balance before a call, duration of call, amount charged, and balance after the call and any other detail as the Authority may deem necessary to enable it discharge its duties in regard to this license.
- 13.9. Any changes to the Licensee's billing system shall be notified to the Authority and shall be subject to the requirements under this Condition.

14. CONDITION 14: PRIVACY AND CONFIDENTIALITY

- 14.1. The Licensee shall ensure the privacy and confidentiality of proprietary information and business secrets obtained during its business from any person to whom it provides the Licensed Systems by establishing and implementing reasonable procedures for maintaining confidentiality of such information.
- 14.2. The Licensee shall maintain and submit to the Authority, not more than 180 days from the effective date, sufficient information on its confidentiality procedures to satisfy the Authority that the requirements of 13.1 are being met.
- 14.3. The Licensee shall not use or allow to be used any apparatus comprised in the Licensed Systems (except for the purpose of law enforcement, national interest or where it is in accordance with any statute in force in Kenya) which is capable of recording, silently monitoring, or intruding into its Subscriber's communications traffic unless the Licensee complies with 13.4 and 13.5 below.
- 14.4. Except for the purposes of law enforcement, the Licensee shall make every reasonable effort to inform the parties whose traffic is to be recorded, silently monitored or intruded into before commencing the recording, silent monitoring or intrusion, that the traffic is to be or may be recorded, silently monitored or intruded into.
- 14.5. The Licensee shall maintain a record of how the parties have been informed that their traffic is to be or may be recorded, silently monitored or intruded into and the

purpose of such recording. The Licensee shall furnish the Authority with such information on request.

15. CONDITION 15: FAIR TRADING

15.1. Without prejudice to other obligations imposed on the Licensee under this Licence, the Licensee shall not engage in any activities, whether by act or omission, which have, or are intended to or likely to have, the effect of unfairly preventing, restricting or distorting competition in Kenya (or a part of it), in relation to any business activity relating to the Licensed Systems. Without limiting the generality of the foregoing, any such act or omission shall include:

15.1.1.any abuse by the Licensee, either independently or with others, of a dominant position in Kenya;

15.1.2.entering any contract or engaging in any concerted practice with any other party, which unfairly prevents, restricts or distorts competition in Kenya, or

15.1.3.effecting anti-competitive changes in the market in Kenya, and anti-competitive mergers and acquisitions in the communications sector.

15.1.4.Levying charges to its competitors or interconnecting parties, which unfairly limit competitors' or interconnecting parties' competitiveness.

15.2. In the event it appears to the Authority that the Licensee is in breach of 15.1, the Authority shall give written notice to the Licensee:

15.2.1.stating that the Authority is investigating a possible contravention;

15.2.2.setting out detailed reasons why it appears to the Authority that there is a breach by the Licensee of this Condition, and

15.2.3.setting out the steps the Authority believes the Licensee should take to remedy the alleged breach.

15.3. The Authority shall allow the Licensee thirty (30) days from the date of the notice in 15.2 to make representations to the Authority, before the Authority takes further action. The period of regulatory intervention may be reviewed depending on the nature of the issue

16. CONDITION 16: PROHIBITION ON UNDUE DISCRIMINATION

16.1. Subject to 16.3 without prejudice to the obligations imposed on the Licensee under this Licence, the Licensee shall not (whether in respect of the rates or other terms

and conditions applied or otherwise) show undue preference to, or exercise undue discrimination against, particular persons or persons of any class or description in respect to the provision of the Licensed Systems.

16.2. Subject to 16.3 the Licensee may be deemed to have shown such undue discrimination if it unfairly favours to a material extent the provision of any communications services to another communication business it carries out to place at a significant competitive disadvantage persons competing with that business.

16.3. The Licensee shall not be deemed to have shown undue discrimination to the extent that:

16.3.1. it is due to matters beyond the Licensee's control;

16.3.2. the provision of connectivity would expose any person engaged in its provision to undue risk of health or safety, or

16.3.3. it is not, in the Authority's view, reasonably practicable or technically feasible (including where the Licensee cannot provide connectivity in a particular area by reason of the fact that its systems are not sufficiently built out).

16.4. Any question relating to whether any act done or course of conduct amounts to undue preference or undue discrimination shall be determined by the Authority.

17. CONDITION 17: PROHIBITION OF CROSS-SUBSIDIZATION

17.1. The Licensee shall not subsidise or cross-subsidise, or permit itself to be subsidised or cross-subsidised or give or receive undue preference to or from, as the case may be, any of its associated businesses or persons as concerns the provision of the Licensed Systems and/or any other licences granted to the Licensee by the Authority.

17.2. The Licensee shall maintain necessary records to evidence resource transfers between its associated businesses or persons. The Authority may at its discretion request the licensee to submit this or other information related to the licensed businesses to satisfy the Authority that no cross-subsidy is taking place.

17.3. If the Authority determines that cross-subsidy has occurred, then the Authority shall give written notice to the licensee setting out the steps the Authority believes the Licensee should take in order to remedy the alleged breach and giving the Licensee a reasonable time in which to correct the alleged breach. The Authority shall allow the Licensee 30 days from the date of the notice to make representations to the Authority, before the Authority takes further action.

- 17.4. Where the Authority deems it necessary and appropriate to supervise compliance with the provisions of this Licence, it may order the Licensee to provide the Licensed Systems through a separate division or divisions, a separate branch or branches or a separate subsidiary or subsidiaries.

18. CONDITION 18: NOTIFICATION OF CHANGE IN SHAREHOLDING

- 18.1. Subject to 18.3 below, the Licensee shall notify the Authority of:

18.1.1.any change in the proportion of the shares held directly in a Licensee by any person, and

18.1.2.the acquisition of any shares and such shares not being shares already listed in any stock exchange held directly in a Licensee by a person not already holding shares, and the proportion of such shares held by that person immediately before acquisition.

- 18.2. The Licensee shall notify the Authority prior to any entity acquiring ownership or control of all or a majority of the stock of the Licensee such that the Licensee shall stand as a subsidiary in relation to that entity.

- 18.3. The Licensee shall be obliged to notify the Authority of any acquisition of shares or change in shareholding of the Licensee by any person and such shares not being shares already listed in any stock exchange only if, by reason of that acquisition or change, the total number of shares in the Licensee held by that person together with any shares held by any nominee or trustee for that person immediately after the change or acquisition:

18.3.1.exceeds 15 per cent of the total number of shares in the Licensee (where it does not exceed 15 per cent prior to that change or acquisition);

18.3.2.exceeds 30 per cent of the total number of shares in the Licensee (where it does not exceed 30 per cent prior to that change or acquisition), and

18.3.3.exceeds 50 per cent of the total number of shares in the Licensee (where it does not exceed 50 per cent prior to that change or acquisition).

- 18.4. In any case referred to in 18.1 or 18.2, notification shall be given by a date, which is thirty (30) days prior to the taking effect of such change or acquisition.

- 18.5. In instances referred to in 18.2 and 18.3, the Authority upon receipt of the notification shall inform the licensee of its decision (approval/disapproval) within thirty (30) days of receipt of notification. The Authority may within sixty (60) days of notifying the Licensee of its disapproval, having considered representations made by interested parties, and giving reasons for its decision, prohibit the change in shareholding where it believes it is in the public interest to do so.

19. CONDITION 19: PRE-NOTIFICATION OF JOINT VENTURES

19.1. The Licensee shall notify the Authority not later than sixty (60) days before the taking effect of any of the agreements or arrangements to which this Condition applies giving particulars of the agreements and/or arrangements. The agreements or arrangements are an agreement with any person for the establishment or control of anybody corporate for the purpose of:

19.1.1.the running of a telecommunications system which requires a licence under the Act;

19.1.2.providing telecommunications services in Kenya which requires a licence under the Act;

19.1.3.carrying of content over telecommunications systems which requires a licence under the Act;

19.1.4.the production of telecommunications apparatus for supply in Kenya where that production would lead, to a monopoly situation which would not otherwise exist in relation to the supply of telecommunications apparatus of any description in Kenya;

19.1.5.an agreement for the establishment of a partnership for any of those purposes and in those circumstances, and

19.1.6.any other agreement or arrangement in the nature of the joint venture for the purpose of running a business which requires a licence under the Act or for the purpose of providing telecommunications services in Kenya.

19.2. 19.1 above applies in relation to an agreement or arrangement for the establishment or control of anybody corporate or partnership where the Licensee has or is to have not less than twenty (20%) per cent of the voting power in any organ controlling that body.

20. CONDITION 20: ACCOUNTING REQUIREMENTS

20.1. Within three (3) months from the effective date, the Licensee shall submit to the Authority the accounting principles relating to the running of the Licensed Systems and which allows the recording of investments, expenses and revenues in accordance with generally accepted accounting standards in Kenya.

20.2. Within sixty (60) days of the end of each fiscal year of the License, the Licensee shall deliver to the Authority its balance sheet as at the end of such fiscal year and the related statements of operations, equity and cash flows, in each case accompanied by a report thereon of independent auditors stating that such financial

statements fairly present the financial position of the Licensee at the dates indicated and were prepared in accordance with accounting principles submitted to the Authority in accordance with 20.1 above.

20.3. The Authority may request the Licensee to submit other accounting information it may require to effectively supervise and enforce the terms of this Licence and in particular if the accounting principles established by the Licensee fail to achieve the objectives set forth in that Condition.

20.4. The licensee shall clearly show the accounts related to this license in its financial reporting. .

21. CONDITION 21: REQUIREMENT TO PROVIDE INFORMATION

21.1. The Licensee shall maintain and provide such information as will enable the Authority to carry out its functions under the Act in such manner and at such times as the Authority may specify and shall ensure that all information submitted is accurate.

21.2. The Authority shall have the right to request the Licensee to submit periodic reports, statistics and other data as well as request additional information with a view to supervise and enforce effectively the terms of this Licence.

21.3. By the 15th of July of every year or as may be specified by the Authority, the Licensee shall submit a Compliance Report detailing the performance of the previous operational year ended 30th June.

21.4. The Authority shall review the Compliance Report and:

21.4.1. If the Licensee is compliant with the terms and conditions of this Licence, issue the Licensee with a Compliance Certificate in respect of compliance for the year under review, and

21.4.2. If the Licensee is not in compliance with the terms and conditions of this Licence, require the Licensee to remedy the area of non-compliance in accordance with the provisions of this Licence and the Act.

21.5. In making a request for information, the Authority will ensure that no undue burden is imposed on the Licensee in procuring and furnishing such information, unless the Authority considers such information is essential to enable it to exercise its functions under the Act.

21.6. The Authority shall have the right to publish information which it receives under this Condition unless, following representations by the Licensee, the Authority is

satisfied that the information is of such confidential nature that disclosure would have a material adverse effect on the Licensee's business.

22. CONDITION 22: DISPUTE SETTLEMENT

The dispute settlement mechanism set out in the Act and/or regulations shall apply to any dispute or disputes that arise out of the provisions of this Licence.
