THE LICENCE TERMS

The Communications Authority of Kenya (the "Authority"), in accordance with the Kenya Information and Communications Act, Cap 411A(the "Act"), hereby authorises **XXXXX** (the "Licensee") to construct, install and operate digital sound broadcasting signal distribution systems as described herein (the "Licensed Systems") for the purpose of providing regional digital sound broadcasting signal distribution services as described herein the ("Licensed Services") in accordance with the Conditions set out in this Licence.

1. The Licensed Systems shall comprise of:
 - 1.1.1. Digital sound broadcast signal distribution and broadcasting transmitter systems,
 - 1.1.2. Digital sound multiplex platforms and head-ends,
 - 1.1.3. Electronic programme guides,
 - 1.1.4. Conditional access system where applicable; and
 - 1.1.5. Any other such systems as may be explicitly authorised by the Authority.
2. All equipment or devices comprising the Licensed System shall in all respects be of an approved industrial standard, type approved or type accepted by the Authority and conforming to the Authority's regulations, ITU standards and such other internationally recognized standards for such equipment or devices as may be issued from time to time.
3. The licensed services are the provision through the Licensed System of:
 - 3.1.1. Radio Services
 - 3.1.2. Local/County insertion
 - 3.1.3. Regional advertising substitution
 - 3.1.4. Interactive services such as Electronic Program Guide, Teletext
 - 3.1.5. Provision of conditional access facilities
 - 3.1.6. Data Services
 - 3.1.7. Alerts systems (traffic,weather,emergency)
 - 3.1.8. Any other such services as may be explicitly authorised by the Authority
4. The Licensee is authorised to connect the Licensed Systems only to other systems licensed by the Authority;
5. The Licensee shall submit to the Authority for notification, details pertaining to the network configuration and any proposed upgrades thereafter, before embarking on system installation/upgrading;
6. This Licence is issued on ----- (the Effective Date) under licence number BL/CA/RDSBSD/20XX/01.
7. This Licence is granted for an initial period of Fifteen (15) years (the "Licence Period") from the Effective Date unless it is revoked earlier in accordance with the Licence conditions therein.

8. Notwithstanding paragraph 7 of this Licence, the Authority may at any time revoke this Licence by giving six (6) months' notice in writing in any of the following circumstances:
 - 8.1. if the Licensee agrees in writing with the Authority that this Licence should be revoked;
 - 8.2. if the Licensee does not provide evidence of commencement of the provision of the Licensed Services twelve (12) months from the Effective Date or any other date that the Authority has in writing directed commencement of licensed services.. The Licensee shall submit such evidence by completing the Compliance Report in accordance with Appendix 5 of this Licence in order to satisfy the Authority that the Licensee has complied with this requirement.
 - 8.3. if any amount payable under Conditions 22 is unpaid forty five (45) days after the Authority notifies the Licensee that the payment is overdue, such notification not to be given earlier than fourteen (14) days after the date on which the payment is due;
 - 8.4. if the Licensee has breached a Condition in this Licence and the breach is of a material nature, and the Licensee has failed to comply with any notice issued by the Authority under the Act or under the Kenya Information and Communications Regulations and thereafter has been given by the Authority a further sixty (60) days in which to make representations in relation to the matters set out in the earlier notice which the Authority has taken into account or matters which the Licensee believes are relevant and the Authority appears not to have taken into account;
 - 8.5. if the Licensee is dissolved or enters into liquidation, bankruptcy or equivalent proceedings or makes a general assignment for the benefit of creditors; and
 - 8.6. if the Licensee fails to notify the Authority of any of the events specified in Condition 18 or 19 and the Authority has given written notice to the Licensee that the Authority intends to revoke the Licence on the grounds set out in Condition 18 or 19 respectively.
 - 8.7. If the licensee's continued operation of the licensed broadcasting service is considered to be a threat to national security and/or cohesion.
 - 8.8. If the licensee or its directors are engaged in criminal activities and blatantly violates other laws of the Republic of Kenya.
 - 8.9. If the licensee is deregistered by the registering entity
9. After the end of the notice period, the Authority shall publish a notice in the Kenya Gazette stating that it intends to revoke this Licence and setting out the reasons on which this intention is based. Revocation shall take effect seven (7) days following publication of the notice in the Kenya Gazette;
10. The Licensee may apply to the Authority for renewal of this Licence at least three (3) years prior to date of licence expiry upon payment of licence renewal fee. The Authority shall carry out a formal review to determine whether or not the licence should be renewed, in which case the review shall be

concluded one year prior to the expiry date. The Authority may renew this Licence for an additional ten (10) years following the formal review at least six months prior to licence expiry date. The licence shall terminate upon expiry of the licence period if it is not renewed.

11. Any word, phrase or expression used in this Licence shall, unless the context requires otherwise, have the same meaning as it has in the Act.
12. Words importing the singular shall include the plural and vice versa; words denoting persons shall include bodies corporate and unincorporated associations of persons and vice versa.
13. The Licensee shall not assign, delegate, transfer or encumber in any manner the rights, interests or obligations under this Licence without the prior, express and written consent of the Authority.
14. This Licence and the Licensee are subject to the provisions of the Act including, but not limited to, licence modifications and enforcements.

LICENSING CONDITIONS

1. CONDITION 1: GENERAL CONDITIONS

- 1.1. The provision of data services and internet on a multiplex shall be secondary to the provision of programming services for radio
- 1.2. The licensee shall not use more than 15 per cent of the capacity of each multiplex at any one time for non-broadcast related data or value added services. The Authority reserves the right to alter this percentage from time to time.
- 1.3. The licensee shall be required to comply with ‘Must carry’ directive as may be specified by the Authority from time to time.
- 1.4. The Licensee shall ensure that the distribution network is inter-operable with all digital sound channels such that any FTA digital sound channels on that platform shall be receivable by any duly type approved digital sound broadcasting receiver complying with minimum specifications of the transmission technology that has been deployed on the DSB platform.

- 1.5. In the event the licensee is interested in the supply of digital sound broadcasting receivers, it shall be a requirement for the licensee to ensure that these receivers be duly type approved or type accepted by the Authority and be configured to receive all free to air digital sound channels from other DSB platforms available in the authorized coverage area.

2. CONDITION 2: ROLL-OUT OF THE LICENSED SYSTEMS

- 2.1. The Licensee shall fulfil the system roll-out requirements in geographical area (s) set out in **Appendix 1** of this Licence (the “System Roll-out Requirements”) or as otherwise required from time to time by the Authority. The licensee shall also ensure that sites rolled out during the first licence term and the coverage continue to be maintained during the entire period granted for the licence renewal.
- 2.2. The Licensee shall ensure that it maintains information in a form prescribed by the Authority for the purposes of satisfying the Authority that the Licensee is meeting the System Roll-out Requirements.
- 2.3. The Licensee shall submit from time to time to the Authority updated roll-out plans on the provision of its services and that, such updated roll-out shall be subject to inspection and approval by the Authority.
- 2.4. The Licensee shall be liable to pay such penalties, if any, as set out in **Condition 24** for failure to meet the System Roll-out Requirements.

3. CONDITION 3: REQUIREMENT TO PROVIDE LICENSED SYSTEMS

- 3.1. The Licensee shall provide, by means of the Licensed Systems, the Licensed Services to any licensed broadcaster who reasonably requests the provision of such services.
- 3.2. The Licensee shall ensure that the Systems it installs meets the Authority’s standards and requirements and that the licensed or authorised digital sound broadcasting service provider accommodated on the platform are conversant with such requirements
- 3.3. The Licensee’s System shall be capable of among other things; support DSB platform, conditional access platform, where applicable, and supporting interactive data services licensed by the Authority. The Authority may, in consultation with the Licensee, review these capabilities from time to time;
- 3.4. The Licensee shall in the manner prescribed by the Authority, ensure that it maintains information to the satisfaction of the Authority on the broadcasting services connected through its network and details of the digital broadcasting services provider . The Authority may, in consultation with the Licensee, revise the information to be provided from time to time;

- 3.5. The licensee shall deploy digital sound broadcast multiplexing and terrestrial transmission systems that fully comply or exceed the minimum standards for digital sound broadcasting as approved for use in Kenya or any such future enhancements of the same.
- 3.6. The Licensee shall in future deploy broadcasting transmission infrastructure and systems, subject to authorisation by the Authority, to accommodate sound broadcasting signals from licensed digital sound broadcasting service providers.
- 3.7. The licensee shall as far as technically possible make use of the existing carrier infrastructure for transportation and distribution of its signals and where necessary, deploy its own carrier distribution network using optical fibre, satellite and other appropriate technologies.
- 3.8. The Licensee shall rollout regional and/or local digital multiplex networks as appropriate in accordance with demand requirements but shall not interconnect the individual regional/local multiplex networks.

4. CONDITION 4: UNIVERSAL SERVICES OBLIGATION

- 4.1. The Licensee shall comply with the obligations related to the Universal Service Fund of the Authority as provided for under the Act and the Regulations.
- 4.2. The Licensee shall provide or participate in the provision of Universal Services, as may be specified by the Authority from time to time.
- 4.3. The Licensee shall contribute such an amount to the Universal Service Fund (USF) based on a percentage of the Annual Gross Turnover as shall be specified by the Authority from time to time in accordance with section 84J (3) of the Act and the USF Regulations.

5. CONDITION 5: PROVISION OF ELECTRONIC PROGRAMME GUIDE SERVICES

- 5.1. The Licensee shall establish and maintain efficient EPG system to assist any person to whom it provides Licensed Services to navigate through the broadcasting services carried on its system.
- 5.2. Unless specifically excluded by the licence, the Licensee shall ensure that the system is implemented in such a manner that it is capable of relaying all components within a programme service intended for general reception. This would include the EPG and TeleText associated with the programme service.
- 5.3. The obligations in 5.1 and 5.2 shall not apply in the event that it is not, in the Authority's view, reasonable to require the Licensee to provide the service requested by means of the Licensed Systems in the particular circumstances, including, but not limited to circumstances:
 - 5.3.1. beyond the Licensee's control;

- 5.3.2. where the provision of the service would expose any person engaged in its provision to undue risk to health or safety, and
 - 5.3.3. where it is not reasonably practicable (including where the Licensee is not in a position to provide service in a particular area by reason of the fact that its systems are not sufficiently built out).
- 5.4. The licensee shall require all broadcast service providers accommodated on its platform to provide their individual programme lineup including audience classification rating fully aligned to the Kenyan standard from time to time, and ensure EPG is activated and upto date at all times.

6. CONDITION 6: INTERRUPTIONS TO THE LICENSED SERVICES

- 6.1. Subject to 7.3 and 7.4 below, the Licensee shall not intentionally interrupt the operation of the Licensed Systems (or any part thereof), or the Licensed Services, in the normal course of business, nor shall it in the normal course of business suspend the provision of any type of Licensed Service without having first sought approval from the Authority in writing and subsequently providing reasonable advance notice to persons affected by such interruption or suspension. Where a licensee notifies the Authority, suspension of services shall only be implemented after obtaining explicit authorisation in writing from the Authority and such authorisation shall not in any way absolve the licensee from obligations to be fulfilled as a licensee.
- 6.2. In the event of an unintentional/unforeseen interruption of the licensed services or part thereof, which are significant in nature, the Licensee shall inform the public and notify the Authority in writing within 24 hours outlining the cause of such interruption and the steps being undertaken to rectify such interruption.
- 6.3. The provision in 6.1 shall not apply if, the interruption or suspension is to a person to whom the Licensee provides the Licensed Service and whose system or apparatus (or use of thereof) is endangering the integrity of the Licensed Systems.
- 6.4. The provision in 6.1 shall not apply if the interruption of service is as provided for under the relevant commercial agreements between the Licensee and the Customer.

7. CONDITION 7: PUBLIC EMERGENCIES

- 7.1. In case of a situation of emergency or local, regional or national crisis such as earthquakes, floods and similar events which require special attention on the part of the Licensee, the Licensee shall provide the necessary services to the Government giving priority to the support activities required to overcome the emergency. For this purpose, the Licensee shall co-ordinate with and follow the instructions of the Authority.
- 7.2. Within nine (9) months following the Effective Date, the Licensee shall submit to the Authority its plan for procedures and operations it shall follow in the event of any such emergency and shall update such plan upon request by the Authority.

- 7.3. In case the emergency or crisis is related to aspects of national security, the Licensee shall co-ordinate with the competent entity indicated by the Authority and provide the necessary services or cease provision of the licensed services in accordance with the instructions of the Authority or the competent entity indicated thereby.
- 7.4. The Licensee may be entitled to reimbursement by the Government of its direct costs for the provision of the services mentioned in clause 7.1 and 7.2 above if at the onset of the emergency, the Government or the Authority committed explicitly in writing to compensate the licensee for services to be offered.
- 7.5. The licensee shall ensure the alert system is configured appropriately to transmit alerts in relevant areas as directed by authorised entities.

8. CONDITION 8: PUBLIC SAFETY

- 8.1. The Licensee shall in respect of all apparatus, equipment and installations possessed, operated, maintained or used under the licence, take all proper and adequate safety measures to safeguard life against any danger, including radiation emanating from the apparatus, equipment or installation so used
- 8.2. The Licensee will ensure that the broadcasting signal distribution installation used to provide the Licensed Services should not become a health, environmental or a safety hazard and is not in contravention of any statute, rule or regulation and public policy.

9. CONDITION 9: REQUIREMENT TO PROVIDE INFORMATION

- 9.1. The Licensee is required to maintain such information as will enable the Authority to carry out its functions under the Act in such manner and at such times as the Authority may request.
- 9.2. The Authority shall have the right to request the Licensee to submit periodic reports, statistics and other data as well as request additional information with a view to supervise and enforce effectively the terms of this Licence.
- 9.3. In particular, by the 15th July of every year, the Licensee shall submit a Compliance Report detailing the performance of the previous operational year ended 30th June and as the Authority shall prescribe.
- 9.4. The Authority shall review the Compliance Report and;
 - 9.4.1. If the Licensee is in compliance with the Licence, issue the Licensee with a Compliance Certificate in respect to each area of compliance for the year under review;
 - 9.4.2. If the Licensee is not in compliance with the Licence, require the Licensee to remedy the area of non-compliance or levy appropriate penalties in that respect in accordance with the provisions of this Licence and the Act.

- 9.5. In making a request for information, the Authority will ensure that no undue burden is imposed on the Licensee in procuring and furnishing such information, unless the Authority considers such information as essential to enable it to exercise its functions under the Act.
- 9.6. The Authority shall have the right to publish information which it receives under this Condition unless, following representations by the Licensee, the Authority is satisfied that the information is of such confidential nature that disclosure would have a material adverse effect on the Licensee's business.

10. CONDITION 10: INSPECTION, ACCESS TO SITES AND RECORDS

- 10.1. The Licensee shall permit the Authority to inspect the Licensee's systems, premises, facilities, files, records and other data to enable it to exercise its functions under the Act
- 10.2. Pursuant to the Act and any other legislation in force, the Licensee shall upon request provide unlimited access to all equipment sites and operational areas to duly authorised staff of the Authority, any person authorised by the Authority or law enforcement agency in order for them to effectively perform their duties.
- 10.3. The Licensee shall establish and maintain information records in regard to its operations, in a format prescribed by the Authority from time to time, for a minimum period of two (2) years for purposes of availing such information to the Authority or any law enforcement agency.
- 10.4. The Licensee shall conform to guidelines or instructions from Authority or other applicable rules for making available to the public the terms and conditions of licence, ownership or such other operating documents as the Authority may deem to be in the public interest.
- 10.5. The Authority may in its discretion make this Licence publicly available in any manner it thinks fit, in whole or in part.
- 10.6. The provision of content of the said licensee records to third parties shall be governed by the relevant provisions of the Data Protection Act (Act no.24 of 2019) of the Laws of Kenya.

11. CONDITION 11: CHARGES, TERMS AND CONDITIONS

- 11.1. The Licensed Services shall be provided on standard terms and conditions (which must include provision for an effective dispute resolution mechanism). A copy of the current version of which shall be provided to any person who reasonably requests.
- 11.2. The Licensee shall file, with the Authority, the standard terms and conditions upon which it proposes to offer the Licensed Services.
- 11.3. The Licensee shall, upon determination of its Tariff by the Authority, publish a Reference Offer within the period specified by the Authority in order to ensure access, transparency and non-discrimination on the terrestrial signal distribution platform.

12. CONDITION 12: QUALITY OF SERVICE REQUIREMENTS

- 12.1. The Licensee, while providing the Licensed Service, shall maintain at the minimum the Quality of Service (QoS) parameters set out by the Authority from time to time.
- 12.2. The Licensee shall ensure that it maintains records relating to the quality of service requirements, which shall be readily available to the Authority for the purposes of satisfying the Authority that the Licensee is meeting the Quality of Service Requirements.
- 12.3. The licensee shall ensure that it provides the Services under Quality of Service terms and conditions mutually agreed with its customers (its membership/parties to the consortium) through Service Level Agreements (SLA) which shall be kept in force by such compensations to its customers as shall be mutually agreed through the SLA.
- 12.4. The Licensee shall file with the Authority a copy of the SLA it signs with each of its customers within 14 days from the date of signing.
- 12.5. The Authority reserves the right to modify the existing QoS requirements at any time, provided the same is done in consultation with the licensee.
- 12.6. The Licensee shall be liable to pay such penalties, if any, as set out in Appendix 4 for failure to meet the minimum set quality of services standards.

13. CONDITION 13: RADIO-COMMUNICATIONS & TECHNICAL OPERATION PROCEDURES

- 13.1. The licensee shall seek for the relevant frequency spectrum authorisations and use the frequencies in accordance with the conditions set out in the Radio Frequency Licence for the purpose of providing the Licensed Systems and services (see Annex 3D). The Licensee shall keep the frequency licences in force through annual renewal and payment of relevant frequency fees.
- 13.2. The Licensee shall, in the provision of the licensed service, comply with international technical standards.
- 13.3. The Licensee shall operate the licensed systems and facilities with due regard to the health and safety of employees and the general public, and in accordance with any applicable laws of Kenya.
- 13.4. Antenna structures shall conform to the generally accepted international standards of safe construction and maintenance, including appropriate aircraft warning lights.
- 13.5. The Licensee will implement all necessary work on maintenance and adjustments of its radiocommunication equipment, in order to ensure that the broadcasts of the Licensee are in

accordance with the specifications of the Authority and the technical Rules of the International Telecommunications Union (ITU).

- 13.6. The Licensee will abide by and work in accordance with all applicable Rules and Regulations of the Authority, in relation to technical operations for all radiocommunication transmission systems , as well as in accordance with all enforced Rules in Kenya.
- 13.7. The Licensee shall;
 - 13.7.1. operate the licensed broadcasting systems with such apparatus/equipment and in such a manner as not to cause harmful interference to any other licensed broadcasting, radiocommunication or telecommunication service;
 - 13.7.2. Co-operate in every way possible with the Authority, by complying with the directions issued by the Authority, with a view to preventing such interference. If the equipment of the Licensee is causing interference with any other licensed service, the Authority will have the right to switch off such transmitting service.
 - 13.7.3. Implement the interference resolution directive issued by the Authority at no cost to the Authority.
- 13.8. The Authority shall have the right to conduct such tests as may be necessary on any of the Licensee's technical equipment used by or on behalf of the Licensee. This may include requiring the Licensee to switch off certain equipment and cease broadcasting for such reasonable period as the Authority may need to conduct the test in question.
- 13.9. The equipment and apparatus of the Licensee must be operated and maintained by competent persons at all times.
- 13.10. The Licensee shall ensure that the equipment used for provisioning of the licensed broadcast service are duly type approved /accepted by the Authority and complies with the authorised technical parameters prior to commissioning and use.
- 13.11. The Licensee shall not offer its services in other areas other than the licensed geographical target area(s).
- 13.12. The Licensee shall ensure that associated services outsourced are procured only from duly licensed entities.
- 13.13. The Licensee shall establish the Licensed Systems taking into account the need for equipment co-location and/or infrastructure sharing with other licensees, and where feasible, allow other licensees to collocate, share infrastructure and other facilities on terms that are reasonable, just and non-discriminatory.
- 13.14. The Licensee shall ensure that non-ionising radio emissions from each radio installation operated under its licence are within the limits specified by the guidelines published by the

International Authority for Non-Ionising Radiation Protection (ICNIRP) and any radiation emission standards adopted and published from time to time.

14. CONDITION 14: PRIVACY AND CONFIDENTIALITY

- 14.1. The Licensee shall use all reasonable endeavours to ensure the privacy and confidentiality of personal and proprietary information, and business secrets obtained in the course of its business from any person to whom it provides the Licensed Services by establishing and implementing reasonable procedures for maintaining confidentiality of such information.
- 14.2. The Licensee shall maintain sufficient information on its confidentiality procedures to satisfy the Authority, at its reasonable request, that the requirements of 14.1 are being met.
- 14.3. The licensee shall comply with all applicable provisions in the Data Protection Act No.24 of 2019 with respect to processing of personal data.

15. CONDITION 15: FAIR TRADING

- 15.1. Without prejudice to other obligations imposed on the Licensee under this Licence, the Licensee shall not engage in any activities, whether by act or omission, which have, or are intended to or likely to have, the effect of unfairly preventing, restricting or distorting competition in Kenya (or a part of it), in relation to any business activity relating to the Licensed Services. Without limiting the generality of the foregoing, any such act or omission shall include:
 - 15.1.1. any abuse by the Licensee, either independently or with others, of a dominant position in Kenya which unfairly excludes or limits competition between the Licensee and any other party;
 - 15.1.2. entering into any contract or engaging in any concerted practice with any other party, which unfairly prevents, restricts or distorts competition in Kenya; or
 - 15.1.3. effecting anti-competitive changes in the communications market in Kenya, and in particular, anti-competitive mergers and acquisitions in the communications sector.
- 15.2. The Authority may, on its own motion or upon receipt of a complaint that the Licensee is in breach of 15.1, give written notice to the Licensee:
 - 15.2.1. stating that the Authority is investigating a possible contravention,
 - 15.2.2. setting out detailed reasons why it appears to the Authority that there is a breach by the Licensee of this Condition, and
 - 15.2.3. setting out the steps the Authority believes the Licensee should take in order to remedy the alleged breach and giving the Licensee a reasonable time in which to correct the alleged breach. The Authority shall allow the Licensee 30 days from the date of the notice to make representations to the Authority, before the Authority takes further action

16. CONDITION 16: PROHIBITION ON UNDUE DISCRIMINATION

- 16.1. Subject to 16.3 without prejudice to the obligations imposed on the Licensee under this Licence, the Licensee shall not (whether in respect of the rates or other terms and conditions applied or otherwise) show undue preference to, or exercise undue discrimination against, particular persons or persons of any class or description as respects the provision of the Licensed Services.
- 16.2. Subject to 16.3 the Licensee may be deemed to have shown such undue discrimination if it unfairly favours to a material extent a business carried on by it in relation to the provision of the Licensed Services so as to place at a significant competitive disadvantage persons competing with that business.
- 16.3. The Licensee shall not be deemed to have shown undue discrimination to the extent that:
 - 16.3.1. it is due to matters beyond the Licensee's control;
 - 16.3.2. the provision of service would expose any person engaged in its provision to undue risk of health or safety; or
 - 16.3.3. it is not in the Authority's view reasonably practicable or technically feasible or do otherwise (including where the Licensee is not in a position to provide service in a particular area by reason of the fact that its systems cannot accommodate the particular service).
- 16.4. Any question relating to whether any act done or course of conduct amounts to undue preference or undue discrimination shall be determined by the Authority.

17. CONDITION 17: ACCOUNTING REQUIREMENTS

- 17.1. The Licensee shall submit to the Authority within nine (9) months after the Effective Date a proposal for accounting principles which relates solely to the running of the Licensed Systems and the provision of the Licensed Services and which allows the recording of investments, expenses and revenues in accordance with accounting principles generally accepted in Kenya.
- 17.2. The Authority shall approve or disapprove the proposed accounting principles within THREE (3) months after its submission and may, in case of disapproval, propose modifications or order the Licensee to adopt a prescribed accounting principles within a reasonable time period but in no event later than ONE (1) year from the date of approval.
- 17.3.
