AUTHORITY OF KENYA**

ADDENDUM No. 1

25th April 2017

To ALL Bidders,

**REF: TENDER FOR THE ACCESS CONTROL SYSTEM/INTEGRATION WITH
STAFF/VISITOR MANAGEMENT SYSTEM NO. CA/PROC/OT/40/2016/2017**

This has reference to the above-mentioned tender in which one of the bidders has requested for a clarification.

The following are response to questions as requested.

Question 1:

*The Tender refers to some brands like Dell, HID readers, BioScript, V-Station 4 Lite etc.
Please clarify on this position:-*

Response: The tender refers to brands, as primary reference due to the fact that the client has other equipment of similar models and therefore, integration will be easy. However as indicated in the tender document on clauses 1.44 (brands names) on page C/16 states that equivalent models will be acceptable provided they meet the technical requirement of the Tender.

The Authority further clarifies that, all the other conditions remain the same as was stipulated in the tender notices and the tender closes on **3rd May 2017 at 2.30pm.**

Yours faithfully,

COMMUNICATIONS AUTHORITY OF KENYA
