

LOCAL TENDER NOTICE

CONSTRUCTION OF A 120M SELF-SUPPORTING STEEL TOWER AND FOUNDATIONS

Kenya is preparing to migrate from analogue to digital broadcasting in the next few years. Communications Commission of Kenya, in a collaborative effort with the Government of Kenya in the migration process, invites tenders for the construction of a 120 meter self-supporting steel tower.

Interested and eligible firms may obtain detailed tender documents from 9.00am-12 noon and 2.00pm-4.00pm, at the Commission's Procurement Office at CCK Centre, along Waiyaki Way upon payment of non-refundable fee of Kshs 5,000 (Five Thousand only). Payment should be made by cash or bankers cheque payable to Communications Commission of Kenya.

Bidding firms must be Civil Engineering Contractors registered with the Ministry of Public Works under Category C or above. They must also have constructed a self-supporting steel tower of at least 50 meters in the last three years.

Duly completed tender documents submitted in a plain, sealed envelope marked; "CONSTRUCTION OF A SELF-SUPPORTING STEEL TOWER: CCK/TC/20/2007" should be mailed to the address below or deposited in the tender box on ground floor of the CCK Centre.

Tenders should reach the Commission on or before 2nd January, 2008 at 2.30 p.m.
