

# TENDER NOTICE

## CONSTRUCTION OF UNDERGROUND FUEL TANK AT CCK CENTRE AND ABOVE GROUND TANK AT KAHAWA MONITORING STATION

The Communications Commission of Kenya (CCK) is the regulatory authority for the communications industry with responsibilities in telecommunications, broadcasting, e-commerce, and postal/courier services. CCK is also responsible for managing the country's numbering and frequency resources.

The Commission is planning to construct an underground fuel storage tank to supply the two generators installed in its premises on Waiyaki Way, Nairobi. In addition, an above-the-ground fuel storage tank will be constructed at the Kahawa Monitoring Station at Githurai, Nairobi, to cater for the fuel needs of the generator at the Station.

The Commission, therefore, wishes to invite tenders from reputable contractors specialized in construction of storage tanks for flammable materials.

Eligible bidders may obtain tender documents from the Commission's Procurement office at the CCK Centre on Waiyaki Way, Nairobi, during normal working hours (i.e. 9.00a.m-12 noon and 2.00-4.00 p.m) upon payment of a non-refundable fee of **Kshs.2,000** per document. The said amount is payable in cash or Bankers cheque to the Communications Commission of Kenya.

Duly completed tender documents should be submitted in a plain, sealed envelope, clearly marked **CCK/TC/13/2009-2010 - "Tender for Construction of underground Fuel Storage Tanks at CCK Centre and above ground tanks at Kahawa Monitoring Station"** to the address below or deposited in the tender box on the ground floor of the CCK Centre, so as to reach on or before **23<sup>rd</sup> June, 2010** at **2.30 p.m.**
